

ESCRS Congress Copenhagen 2025

Bring Your Team Campaign

43RD CONGRESS OF THE  ESCRS
COPEN  **HAGEN**
12 - 16 SEPTEMBER 2025
Bella Center, Copenhagen - Denmark

ESCRS Congress "Bring Your Team" Campaign – First-Time Ophthalmic Nurses / Technicians

Objective:

To encourage first-time attendance from Ophthalmic Nurses and Technicians at the ESCRS Annual Congress by reducing financial barriers and creating a structured access process.

Overview:

The "Bring Your Team" campaign is a targeted initiative to support and incentivise the participation of newcomers in the Ophthalmic Nurse / Technician registration category—specifically those who have never attended an ESCRS Annual Congress (dating back to Amsterdam 2021).

This is a strategic initiative to:

- Foster engagement from a key professional group in ophthalmology.
- Support wider multidisciplinary participation in the Congress.
- Encourage senior doctors and trainers to bring and promote development opportunities for their teams.

Key Features of the Campaign:

- 30% Discounted Registration Fee**

A special discounted rate (30% off the regular Ophthalmic Nurse / Technician fee) will be available exclusively for qualifying first-time attendees.

- Access via Unique Code**

This discount will be unlocked via a code entered in the registration system.

- Distribution of Access Codes**

Access codes will be shared only upon request from department heads, who are responsible for ensuring the codes are distributed only to eligible Ophthalmic Nurses and Technicians.
