## THE SLIT LAMP EXAM. REINVENTED.

Introducing Elara 900: Haag-Streit's slit lamp for the 21st century

See more, work smarter & feel better: Unlock the potential of your slit lamp exam.

Look closer. See further.

 **HAAG-STREIT**  
GROUP

## Think you know all there is to know about the slit lamp exam? Think again.

New technologies hold the potential to transform how we deliver eye care – and it all starts with the slit lamp exam.

Join our prestigious panel of world-leading slit lamp enthusiasts as they explore the drive towards a slit lamp for the 21st century. Stay tuned to hear the benefits firsthand: from efficiency gains and superior visualization to improved wellbeing and enhanced patient experience.

- **Discover** the impact of revolutionary visualization technology
- **Unlock** new ways to increase your working efficiency
- **Open** the door to enhanced comfort & slit lamp ergonomics
- **Increase** your understanding of innovative imaging tools & techniques
- **Gain** firsthand insight into a slit lamp fit for the future.

**Location:**  
**Auditorium 11**

**Date/time:**  
**Sept 14, 13.00 – 14.00**

## ESCRS symposium: The slit lamp exam. Reinvented.

### Speaker

Prof. Dr. Gerd U. Auffarth – University of Heidelberg, Germany

Dr. Sunil Mamtora – Bristol Eye Hospital, University of Bristol, UK

Dr. Maria Kugelberg – Karolinska Institutet, Stockholm, Sweden

Dr. Filomena Ribeiro – President ESCRS, University of Lisbon, Portugal

Dr. David Goldblum – Pallas Kliniken, Switzerland

### Topic

Enhancing slit lamp efficiency – is it even feasible?

Elara 900 vs. BQ 900: Refinement & breakthrough

Real case scenario: Evolving my clinical practice with Elara 900

Watch your posture – it's important

Imaging that educates – improving patient compliance with Elara 900
