

Innovating Clarity: Freeform Technology for High Spectacle Independence

Date:

**Saturday,
September 13**

Time:

13:00 - 14:00

Location:

**Bella Congress
Center. Room D4**

Center Blvd. 5, 2300, Copenhagen

Johnson & Johnson is pleased to welcome you to **Innovating Clarity: Freeform Technology for High Spectacle Independence** during the 2025 edition of ESCRS which will occur in Copenhagen. Don't miss this valuable opportunity to explore the latest advancement in our **TECNIS™** platform, with a special focus on maximizing outcomes with the **TECNIS Odyssey™ IOL**. Hear from your peers as they share their expertise to elevate outcomes.

This symposium will be moderated by **Prof. Dr. Burkhard Dick**.

Prof. Dr. Burkhard Dick

Prof. Karolinne Rocha

Dr. Jamie Aramberri

Dr. Alina Cantemir

Dr. Pavol Vesely

The session includes:

- **Prof. Dr. Burkhard Dick:** Overview of the symposium's objectives and introduction of speakers.
- **Prof. Karolinne Rocha:** Real-World Insights: Selecting the Best Candidates for Trifocal IOLs.
- **Dr. Jaime Aramberri:** Successful Biometry Checklist for Cataract Patients: Maximizing the Benefits of **TECNIS™ Odyssey IOL**.
- **Dr. Alina Cantemir:** Clinical Case Highlights: The Advantages of **TECNIS™ Odyssey IOL**.
- **Dr. Pavol Vesely:** Defocus Curve Analysis: Evaluating the Strengths of **TECNIS™ Odyssey IOL**.

Be sure to also visit us our **booth (E.040)** and embark with on a remarkable journey where “**Vision Made Possible**” becomes a reality.

Looking forward to seeing you in Copenhagen!

Vision Made Possible™
